5 I, Tabitha Asare, being duly sworn, upon my oath, hereby depose and say:

6 1. The following declaration is based upon my own personal observation and
7 knowledge, and if called upon to testify to the things contained herein, I could competently so
8 testify, except as to those matters stated to be based upon information and belief, and as to
9 those matters, I believe them true because I believe that the source of the information is
10 trustworthy and the statement is admissible in a court of law.

11 2. I lives in Las Vegas, Nevada. I applied for unemployment compensation on the
12 first day that the DETR gig worker webpage was available, May 16th, 2020. On May 22, 2020,
13 I received a Monetary Eligibility Determination letter stating I was eligible for the Weekly
14 Benefit Amount of \$469.00. Upon information and belief, this is the maximum PUA weekly
15 benefit amount. The letter stated that the minimum PUA benefit was \$181 per week, even if the
16 claimant had no documented earnings in 2019 at all. The letter, like all favorable Monetary
17 Benefit Determination letters, stated as follows:

18 This determination notifies you, that you are financially eligible for
19 Pandemic Unemployment Assistance (PUA) benefits pursuant to Section
20 2102 of the CARES Act of 2020 and the applicable federal regulations at
21 20 CFR, Part 625.

22 3. The letter also showed that I had received \$23,424 Employment Income in the
23 First Quarter 2019 (1st FQ), \$[REDACTED] in 2nd FQ 2019, \$[REDACTED] in 3rd FQ 2019 and \$[REDACTED] in 4th
24 FQ 2019; appearing to correctly identify my self-proprietorship of Hadassah's Mantle as Self

26 4. I filed her first weekly claim on May 23, 2020 and received two codes on my
27 account. One was about an identity issue and the other said" PUA - Other program eligibility"
28 issue. I continued to file my claim forms weekly and the identity issue fell off, but she still had

1 the "PUA - Other Program Eligibility" entry on the DETR individual applicant progress report
2 webpage. However, her claim said "Unresolved Issues: NO."

3 5. On June 9, Plaintiff-Petitioner ASARE called DETR and spoke with a woman
4 who approved her claim. The woman sent her an approval letter dated June 10, 2020 which
5 stated:

6 Dear Taitha D. Spencer-Asare:
7 We have completed a review and investigation for your claim for
8 Pandemic Unemployment Assistance referenced about. We have
9 determined tht your claim is APPROVED as you meet the qualifications
10 required by the Coronavirus Aid, Relief, and Economic Security (CARES)
11 Act of 2020 for Pandemic Unemployment assistance. [PUA] I order to
12 receive payment you must maintain weekly certifications until you are
13 employed and earning over your weekly benefit amount. [¶] This
14 qualification is effective 03/15/2020.

15 6. The "PUA - Other Program Eligibility" code fell off but now my claim read,
16 "Unresolved Issues: YES." I spoke to the same DETR representative that had sent the letter,
17 who said the DETR would send me another approval letter. The same DETR representative told
18 her that the reason "Unresolved Issues" switched from "No" to "Yes" was because it flagged the
19 supervisors to pay me.

20 7. The next day, June 10, 2020, I called again and spoke with another DETR
21 representative. I utilized calling in with 10 phones simultaneously just to get through. This
22 other DETR representative advised her that there was a glitch in the system and that it would be
23 removed within 24-48 hours.

24 8. On June 16, 2020, I again spoke with yet a third DETR representative who told
25 her that the previous representatives lied to me and that it will be an additional 20-30 days
26 before I can expect to see payment because that is how long it will take for the "unresolved
27 issues" to now be removed. When I asked this third DETR representative if there was a
28 possibility I could be denied retroactively before payment was made, because I needed to plan
for my life and business, the DETR representative told me not to count on this money coming
through. The DETR representative stated, "This money is not anything you should plan your life

1 around. This is extra, it's a bonus. This money shouldn't be what gets you out of the red, it's a
2 bonus."

3 9. This third DETR representative further explained that although a different DETR
4 representative handled my claim, this representative could see where changes had been made.
5 The representative stated that the computer was not recognizing that my claim was actually
6 approved, despite two separate approval letters. The representative stated that this was the
7 reason I had "Unresolved Issues: YES" was now on my individual claim progress report online.
8 In a bizarre way, the DETR representative clearly implied that the machines controlled the
9 human beings at DETR, and not the other way around. My claim still has this "active issues:
10 yes" in my claim and have not yet been paid any unemployment compensation benefits by
11 DETR.

12 10. I have read the forgoing declaration consisting of this page and 3 others and
13 declare under penalty of perjury that it is true and correct, except as to matters stated upon

Hi, I was forwarded your link on Facebook and decided to share my information with you because I have not been paid and have been given the runaround. I have been approved(see attached letters) but they can't pay me due to a glitch in the system.

I applied on the first day, May 16th, 2020 and received a Monetary eligibility letter on May 22, 2020. I filed my first weekly claim on May 23rd, and received two codes on my account. It was one about an identity issue and a PUA - Other program eligibility issue.

I continued to file my weekly claim, the Identity issue fell off and I still had the "PUA - Other Program eligibility." However, my claim said "Unresolved Issues:NO" On June 1st, I organized a protest because the payments were promised on May 16, May 23rd, May 27th and hardly anyone was paid and we were seeing people paid who had no documentation.

On June 9, I called in and spoke with a woman who approved my claim and sent me an approval letter. I realized that the "PUA - Other Program Eligibility" code fell

off but then my claim went to "Unresolved Issues:YES." I got back on the phone with her and she sent me another letter and told me that the reason it switched from "No" to "Yes" was because it flagged the supervisors to pay me.

The next day, June 10, 2020, I decided to call again and spoke with someone else, keep in mind we were calling on 10 phones to get through, this representative advised me that there was a glitch in the system and that it would be removed within 24-48 hours.

Today, June 16, 2020, I spoke with an agent who told me that the previous representatives lied to me that it will be an additional 20-30 days before I can see payment. That is how long it will take to be removed. When I asked her if there was a possibility I could be denied because I needed to plan for my life and business, she told me not to count on this money coming through. She stated, "This money is not anything you should plan your life around. This is extra, it's a bonus. This money shouldn't be what gets you out of the red, it's a bonus."

She further explained that although the representative handled my claim, she could see where changes had been made. she stated that the computer is not recognizing that my claim is actually approved that is why I have "Unresolved Issues:YES" now on my claim. She told me that I needed to be more understanding because the people working are humans and not machines. I am attaching screenshots of what I have.

I also still have active issues on my claim.

Hello Tabitha,

I forgot to ask you in all this what profession you were in as a independent contractor/ 1099/ gig worker. I see in your documents it states Hadassah's Mantle, are you the CEO of a NPO? Just for referencing I'm asking all the claimants so the court or DETR cannot claim that people aren't receiving PUA because they are actually W2 employees who should be straight UI.
